Trustees of Town Trust Funds, William L. Furber, Maurice E. Robinson, Stillman A. Packard.

STATE OF NEW HAMPSHIRE

L. S.

To the Inhabitants of the Town of Newington qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall in said town on Tuesday, the tenth day of March, next, at twelve of the clock, noon, to act upon the following subjects:

1. To choose, in the manner provided by law, a town clerk; one selectman, to hold office for three years; assessors of taxes, overseers of the poor, a town treasurer, a collector of taxes, a superintendent of burying ground, auditors, highway agents, a library trustee, to hold office for three years, a trustee of town trust funds, to hold office for three years.
2. To choose measurers of wood, surveyors of lumber, fence viewers, a pound keeper, constables, police officers and all necessary town officers.
3. To hear the report of the Budget Committee, and to act thereon.
4. To see what sum of money the town will vote to raise and appropriate for all town expenses for the year ensuing (as included in the budget).
5. To see what disposition the town will vote to make of the town land and buildings.
6. To see if the town will vote to authorize the selectmen to administer, or to dispose of, any real estate acquired, or to be acquired, by the town through tax collector's deeds.
7. To see if the town will vote to authorize the selectmen to hire money on the credit of the town in anticipation of taxes; and to fix the rate of interest.
8. To see if the town will vote to reshingle, and to make other necessary repairs to, the roof of the town meeting house; and to raise and appropriate money therefor.
9. To transact such other business as, legally, may come before the meeting.

Given under our hands and seal this twenty-first day of February, 1936.

CHARLES W. COLEMAN,
JAMES A. deROCHEMONT,
ALBERT E. HODGDON,
Selectmen of Newington.

Newington, March 10, 1935.

We hereby certify that on the twenty-first day of February, last, we posted an attested copy of the within warrant at the place of meeting within specified, and a like copy at the Meeting House, a public place, in said town.

CHARLES W. COLEMAN,
JAMES A. deROCHEMONT,
ALBERT E. HODGDON,
Selectmen of Newington.

LANGDON PUBLIC LIBRARY

To the Citizens of Newington:

The Trustees of Langdon Library herewith submit the forty-fourth annual report with financial statement and librarian's report for the year ending December 31, 1935.

This year the remainder of the Liberty Bonds owned by the library were called in, and the sum of $10,000 formerly invested in them has been re-invested by the Trustees of the Trust Funds as follows:

$1,100 in Government Bonds yielding interest at 3¼ per cent.

$6,500 in Government Bonds yielding interest at 2⅞ per cent.

$2,100 in Government Bonds yielding interest at 2¾ per cent.

$300 deposited in Portsmouth Savings Bank paying 2½ per cent. interest.

As the other library funds now on deposit in savings banks at present bear only 2½ per cent. interest, it is evident that the income of the library will be much less than heretofore.

We regret to say that we have been unable to spend as much for books as usual. We have also had the added expense of lighting the library and buying fuel. We earnestly hope that the Town may provide for the fuel as they have done before this year.

The financial report shows a balance on hand at the end of the year. This sum does not represent what

is left after all the bills are paid but it is the money which we must use to meet bills until the following April when the next interest money is due.

To those who have given books or otherwise shown their interest in the library we extend our thanks.

REPORT OF THE SUPERINTENDENT

To the School Board of Newington:

I herewith submit to you my sixth report as superintendent of your schools.

Newington is now entering upon its first full year as a state aid town. The purpose of state aid is to enable the financially poorer towns to furnish its children with schools and equipment comparable with those of the average town. In the case of Newington a check for $479.99 was received from the state of New Hampshire in December 1934, and a check for a similar amount December 1935, with a possibility of a slightly additional advance check in the spring. It is a requirement that this money shall be spent only for elementary education. The amount of the aid is determined by the school budget as voted at the district meeting, adjusted to the actual expenditures as given in the financial report. Only actual expenditures are reimbursed by the state. Newington does not spend as much as the state would approve on some of its items. In such items additions would be paid for by an increased check the following year. Teachers' salaries is one item which might be increased with no cost to the town. In cases of such increases the town advances the money and is reimbursed by the state in its next check. It will be of interest to the people to know that the state aid for Newington in December 1936 will be $543.09.

The present financial effect of the new system, as given by figures of the state board, is shown in the following. The figures are based upon the per pupil costs of the public schools throughout the state. The average per pupil cost of all public elementary schools in New Hampshire during the year 1934-1935 was $76.93.

Newington's state aid check brings the actual cost to the townspeople down to $73.81 per pupil or $3.12 below the state average. Beyond this, the state has contributed $4.62 per pupil for additional service.

It is particularly pleasing to me to report to you on the work of your graduates and former pupils as they close the first term of their studies in the junior high school of which they are now members. To the five Newington pupils now attending the first year, a total of forty-seven ranks was assigned on report cards. Of these marks there was but one below the passing mark. It seems to me that such rating answers affirmatively the question, "Does Newington prepare adequately for the work of the high school?"

We are giving more time to music during the current year. We believe this to be worth while. Music is a lasting pleasure to the pupils throughout their life time. While the fundamental subjects such as arithmetic and reading must not be neglected, we believe the love of music and the ability to sing should be the privilege of all American children.

In previous reports we have mentioned the importance of reading in the development of a scholar. Three years ago the new method of reading was introduced into your first grade. These pupils are now in the fourth grade. This grade now averages in reading five months above the average for the country as a whole. The reading of the grades below the fourth, who also had the advantage of this method is unusual and, I believe, would average even higher. This means that we have solved the reading problem in Newington and are assured of continual progress as these classes advance.

As the inculcation of health habits is one of the seven fundamental objectives of modern education, we have taken one more step toward its fulfillment by installing liquid soap dispensers in the school. These re-

place the former cakes of soap which were used by all pupils in attendance. A cake of soap can easily become a means of spreading disease from one pupil to another. The dispenser does away with any such possibility.

There will be a large reduction in the amount of school money asked for this year. This is in a great part caused by adjusted state aid checks received when we entered the classification of a state aid town. While our state check will be forthcoming every year the unusual reduction cannot be made in following years.

I wish to congratulate Newington on the present condition of its school building. The new heating system is furnishing much more efficient service. I do not remember your school when it was as warm and comfortable as during the present year. I wish to congratulate Newington on the scholarship in its school. This is greatly improved and will continue to improve. You as a school board have helped me in every possible way in the performance of the duties of my office. Your help and encouragement has resulted in raising the standard of your school noticeably.

Respectfully submitted,

ROY L. GILMORE,

Superintendent of Schools.

February 5, 1936.

HATTIE M. GREENOUGH,

Treasurer.

I hereby certify that I have examined the foregoing accounts of the Treasurer of the Newington School District and find them correct in all respects.

JAMES H. COLEMAN,

Auditor.

SCHOOL REPORT

To the Citizens of the School District of Newington, N. H.:

We herewith submit the annual report of the School Board.

On opening the school year it was the pleasure of the School Board to retain our teachers, Mrs. Marion Kenison, Miss Margaret Pickering and Mrs. Mary Poore.

On the resignation of Mrs. Dolbec, our district nurse, we were pleased to engage the services of Mrs. Dorothy Lindsey of Hampton, N. H.

It was again our pleasure to support and elect Mr. Roy W. Gillmore for our district superintendent whose services prove more valuable each year. It was through his efforts we received state aid for 1934-1935 as well as 1936 making a total of $959.98.

On recommendation of our superintendent we restored 5 per cent. of the previous cut in teachers' salaries with the provision that the State would reimburse the district in next year's state aid which they already have done as shown by their recent figures.

We also recommend restoring an additional 5 per cent. for the ensuing year as the State will reimburse us in state aid.

Owing to state aid we were able to save on our elementary expenses. This brought our total balance to over $1,000.00; this we have applied on bonded debt.

By making an alteration in the heating and ventilating system, piping the two furnaces so that one or

two could be used to heat the school building we are able to obtain much better results and cut the cost of fuel more than one-third.

On receiving the resignation of Edward Prior as janitor, we appointed John F. Hoyt.

We urge the parents to send their children to school every day it is possible for them to attend. Citizens and parents are invited to visit school and any suggestions made to maintain the standard will be gladly received.

Respectfully submitted,

J. MANNING HOYT,

MARION D. FRINK,

PERCY E. deROCHEMONT,

School Board.

FINANCIAL REPORT OF SCHOOL BOARD

From July 1, 1934 to July 1, 1935

Cash on hand at the beginning of the year, July 1, 1935,		$548 16
